The Agreement is between SANOFI and the RECIPIENT (as defined in the Special Terms).

PREAMBLE

WHEREAS, SANOFI is a pharmaceutical company which is committed to ensure transparency within its relationships within its activities in the field of healthcare;

WHEREAS, SANOFI is willing to support certain activities of RECIPIENT and obtain counterparts from such support;

The parties therefore agree as follows:

1. Activities & counterpart. The RECIPIENT agrees to perform the Activities described in the Special Terms (hereinafter the “**Activities**”). In this regard, the RECIPIENT confirms that the Activities have a professional content relevant for the RECIPIENT’s activity. Further, the RECIPIENT confirms that SANOFI’s Rules for Hospitality in the appendix to the Special Terms are complied with.

In return of SANOFI’s support, the RECIPIENT will provide to SANOFI the counterpart defined in the Special Terms (hereinafter the “**Counterpart**”).

2. Obligations of the RECIPIENT. In consideration of the payment received under Section 3 below, the RECIPIENT shall perform the Activities and provide SANOFI with the Counterpart in good faith and accordance with the provisions of this Agreement, the laws and practices applicable to the Activities.

The RECIPIENT certifies that it has the status of sponsorship recipient.

The RECIPIENT shall immediately inform SANOFI if the funds (donation and/or other contribution) provided by SANOFI and all its Affiliates to the RECIPIENT exceeds the threshold of one hundred and fifty thousand euros (150.000€) during the calendar year of this Agreement.

If due to the changed circumstances, the RECIPIENT loses his right to receive the funding, the RECIPIENT must immediately notify SANOFI in writing and the Agreement will automatically terminate.

In invitations to the Activities, it must be clear to the recipients of such invitations that the Activities are sponsored by SANOFI and, if other pharmaceutical companies sponsor the Activities as well, it must be clear to the HCPs that the Activities are also sponsored by such other pharmaceutical companies.

3. Obligations of SANOFI. In consideration of the performance of the Activities, and the provision of the Counterpart, SANOFI shall pay a fixed price (“**Sponsor Fees**”) defined in the Special Terms. Payment terms and financial conditions are detailed in the Special Terms. The payment by SANOFI shall in no event be subject to or construed as SANOFI influencing the professional content of the Activities.

4. Use of the Funds. The RECIPIENT agrees to use Sponsor Fees supplied pursuant to this Agreement exclusively for expenses relating to the Activity and in compliance with the Danish Ethical Rules for Promotion of Medicinal Products towards Healthcare Professionals as well as the Danish Ethical Rules for Collaboration between Patient Organisations and the Pharmaceutical Industry.

Furthermore, representation, including travel expenses, meals, and accommodation, as well as genuine registration fees must be in compliance with the rules on the area, cf. inter alia SANOFI’s rules on travel expenses, meals and accommodation, in the Appendix Hospitality Rules to the Special Terms.

In the event substantial changes are made to the topic, target, or other material aspect of the Activity, RECIPIENT shall immediately inform SANOFI and SANOFI reserves the right to withhold Sponsor Fees or require return of funds.

In the event that all Sponsor Fees provided by SANOFI are not used in connection with the Activity, the RECIPIENT agrees to return unused funds to SANOFI.

SANOFI shall have the right, at its expense, to audit and examine all contracts, documents, correspondence, accounts and expense records, and any other materials, which relate specifically to the RECIPIENT's expenditure in relation with the Activity. Further, SANOFI will submit same information to the Danish Ethical Committee for the Pharmaceutical Industry ("ENLI") by the end of the year and ENLI will publish same information on its website.

SANOFI agrees in signing this Agreement not to impose conditions for the RECIPIENT's professional or stakeholder-policy viewpoints, and SANOFI agrees in signing this Agreement that to have no executive duties in the RECIPIENT that have any significance for the present Agreement.

7. Anti-bribery. RECIPIENT and SANOFI agree that the arrangements set out in this Agreement do not take effect and are not intended to take effect as an incentive or reward for a person's past, present or future willingness to prescribe, administer, recommend (including formal recommendations), purchase, pay for, reimburse, authorize, approve or supply any product or service sold or provided by SANOFI or as an incentive to grant an interview for any sales or marketing purposes. RECIPIENT

warrants, that it will comply with the requirements of all applicable anti-bribery regulations, codes and/or sanctions, both national and foreign, including but not limited to the US Foreign Corrupt Practices Act, the UK Bribery Act and the OECD Convention dated 17th December 1997 (the “**Anti-Bribery Laws**”) and; therefore that it has not and will not make, promise or offer to make any payment or transfer anything of value (directly or indirectly) to (i) any individual, (ii) corporation, (iii) association, (iv) partnership, or (v) public body, (including but not limited to any officer or employee of any of the foregoing) who, acting in their official capacity or of their own accord, are in a position to influence, secure or retain any business for (and/or provide any financial or other advantage to) SANOFI by improperly performing a function of a public nature or a business activity with the purpose or effect of public or commercial bribery, acceptance of or acquiescence in extortion, kickbacks or other unlawful or improper means of obtaining or retaining business. RECIPIENT will immediately notify SANOFI if, at any time during the term of this Agreement, its circumstances, knowledge or awareness changes such that it would not be able to repeat the warranties set out above at the relevant time. RECIPIENT shall keep detailed and up to date books of the account and records of all acts and payments made by it in relation to this Agreement for a minimum period of seven (7) years and at SANOFI request make them available for inspection. RECIPIENT will ensure that such books of account and records are sufficient to enable SANOFI to verify their compliance with this section of the Agreement.

Breach by the RECIPIENT of the terms of this Section will be deemed a material breach of this Agreement and SANOFI may immediately terminate this Agreement at any time, with immediate effect and without any opportunity to remedy the breach by the RECIPIENT, by giving notice in writing to the RECIPIENT.

APPENDIX 1

PROPA Projekt, Patientvejledere og Pårørende grupper

Projektidé

Som opfølgning på succesfuldt RUFT – Rekruttering Uddannelse Fastholdelse af Tillidsrepræsentanter - vil PROPA yderligere styrke foreningens kompetencer omkring patient- og pårørendeinddragelse.

Baggrund for projekt,

På netop afholdt Efterårsseminar blev det tydeliggjort, at netop patient- og pårørendeinddragelse med alle dets barrierer og udfordringer i årene fremover vil give endnu flere og større opgaver til PROPAs frivillige indenfor disse områder.

Formål og vision

Projektets mål er at kunne støtte og videreudanne vore pårørenderepræsentanter og patientstøtter og dermed sikre, at disse PROPA frivillige - i en tid hvor såvel patienter som pårørende af Sundhedsvæsenet i mange tilfælde inddrages i endnu højere grad – uddannes og bibringes de rette kompetencer. Til inspiration og udvikling af PROPAs tilbud til prostatapatienter og til deres pårørende.

Hvem skal deltage

Tovholdere fra Pårørendegrupper, Patientnetværk m.v. Altså de, som i regioner og lokalafdelinger rækker hånden frem mod andre pårørende og inviterer dem indenfor i et lokalt fællesskab.

Organisering af projektet

Projektet er startet på PROPA Efterårsseminar i Middelfart, november 2019.

Projektets udgifter til opstart udgør således kun ½ kursusdag for ca. 50 deltagere eller 20.000 kr.

Projektet sparer herved anden lokaleleje, transportudgifter etc.

I 2020 gennemføres den egentlige støtte og videreuddannelse på regionalt og landsplan.

Tids- og handleplan

November 2019 Opstart på PROPA Efterårsseminar 2019

Forår/efterår 2020 Plan- og strategimøder, lokalt og regionalt samt afholdelse af kurser og seminarer for pårørenderepræsentanter og patientstøtter.

Ressourcer

PROPA – og hermed alle prostatakræftpatienter og deres pårørende er helt afhængige af, at vi har veluddannede patientstøtter og pårørenderepræsentanter . De står i forreste linie i PROPAs indsats for at "Ingen skal stå alene med Prostatakræft" – og fortjener al den opbakning vi kan give.

Det vil kræve en ikke ubetydelig indsats (tid) fra Regions- og Landsbestyrelse samt en betydelig økonomisk styrke.
